Kenknight, Jeff 11:51 AM:

Any update on LUB GWMA letter being sent out from RAs office. OECA is asking. At this point should we offer to send the letter to interested parties? Seems like the ECAD director could do that per the call?

Davies, Lauris 11:57 AM:

Michelle was going to ask Chris in her tuesday morning check in (he was off on Monday and last Friday). thanks for the reminder. I'll ask if they covered this.
